

Structure Fire

880 Pyracantha NW

3 12 2011

On arrival, fire personnel found a concrete block structure with fire through the roof. No power to the house, very few contents. FPL pulled meter and disconnected power at the pole.

Estimated value of the home: \$100,000

Estimated loss/damage: \$60,000

Neighbor advised home has been empty for over five years.

State Fire Marshal has been called in to investigate cause.

Engines 3, 2 and 5, Squad 2, Truck 1, Batt. Chief, Asst. Fire Marshal responded.
