# Firefighter Cordeau...

---

Firefighter Willie Cordeau began his career with Palm Bay Fire–Rescue in September of 1987. He was assigned to B Shift at Station 90 (now Station 1) when he decided, in June of 2008, that it was time to retire and spend time with his family.

Firefighter Cordeau worked his way up through the ranks from the position of Firefighter to Driver/Engineer in 1996. He was also the SCBA Technician for a period of time, but preferred to be an on-line Firefighter.

Firefighter Cordeau has always been willing to assist the community by donating his time and musical talents for fund-raising events such as toy drives, fire-relief funds, etc.

We wish him well as he and his wife, Lynn, enjoy their time together, fulfilling their retirement plans.
