

GUNS 'N HOSES BLOOD DRIVE

December 2010

Florida's Blood Centers held a "Guns 'n Hoses" Blood Drive event December 2010.

This event challenged law enforcement personnel and firefighters, along with their friends and family, to stop in at one of the Blood Bank Centers or the Big Red Bus (blood mobile), which was stationed throughout the Central East Coast during December, to donate blood.

This created a fun competition while meeting critical needs during the holiday season.

The tally:

Week 1: Guns 217 Hoses 195

Week 4: Guns 323 Hoses 411

Week 2: Guns 388 Hoses 522

Week 5: Guns 216 Hoses 301

Week 3: Guns 391 Hoses 584

And the final results:

Guns 1535

Hoses 2013
