

# Firefighter Allton

## September 1986 – September 2011

---

Firefighter Jeff Allton was hired by Palm Bay in September of 1986.

Firefighter Allton immediately became an integral part of the Department, and has played a large role in training new personnel, showing them “the ropes” of the fire service.

Firefighter Allton loves the outdoors, loves to fish, and looks forward to spending more time with his wife, Jan.
