

Battalion Chief Render Retires

April, 1991 – October, 2008

Battalion Chief Vera "Buddy" Render retires after 17+ years of service with Palm Bay Fire-Rescue, providing top-notch medical service to the citizenry of Palm Bay

Battalion Chief Render...

...is known state-wide for her knowledge of EMS (Emergency Medical Service). Her contributions to PBF-R include teaching a variety of classes for EMT (Emergency Medical Tech) and PM (Paramedic) certification and recertification, First Aid and CPR courses to both city employees and members of the community, teaching for local community colleges, maintaining department files and databases (which receive excellent ratings from the State), serving on the Space Coast Fire Chiefs Association EMS Committee, and also as an active member of the State EMS Committee.

She has acted as preceptor for a number of the Department's paramedics, and her commitment to excellence will carry forward through them.
