

Fire Prevention Poster Contest 2010

This year's Fire Prevention Week Poster Contest was open to all fourth, fifth, and sixth grade students attending Palm Bay elementary schools.

Winners were selected from each school, and then overall winners from the three grades were chosen.

Winners are:

Cheyenne, fourth grade student at Westside Elementary
Shelby, fifth grade student at Lockmar Elementary
CJ, sixth grade student from Covenant Christian.

All the posters entered were excellent, and deciding on the winners proved to be a very difficult challenge.

Our thanks to the parents, teachers, and school staff for allowing their students to participate, and to Wal*Mart for their support.
