Bayside High School

Athletic Program

To whom it may concern,

This letter is to serve as an introduction to the Athletic program at Bayside High School. My name is Brandon Sherrill and I was hired as the Athletic/Activities Director at the end of June 2016. Looking back as a former student athlete, I recall high school as one of the greatest memories that I have ever been a part of. My goal is that our current student athletes have that same experience I was blessed with.

In order to achieve the most we can for our student body I am looking to establish an ongoing relationship with many of our local businesses. By doing this we hope to bring a sense of pride and ownership that will lift our students to new levels and help them leave Bayside with even better memories.

We are specifically writing this letter to see if you or your business is willing to participate in being a part of our athletic program. The Bayside athletic department is fully responsible for generating all the revenue for our student athletes and our athletic facilities. We are offering businesses the opportunity to get involved with a local event at Bayside High School. We are looking to cover the costs in bringing in the Court Kingz to our high school to play a game against our teachers, student athletes and community leaders on Saturday, April 27th. Court Kingz are a faith-based basketball organization that travel the world putting on shows for both youth and adults and speaking about their faith as well as an anti-bullying message. We would love for your business to be a part of this event. With your partnership, we are willing to provide your business with an opportunity to have a table in the gym lobby on the night of the event for promotional purposes in passing out coupons and/or flyers. Our goal is to reach out to as many businesses as possible to help us reach our \$15,000 goal. You may also make a monetary donation which can be 100% tax deductible that will enhance the high school experience for both student athletes, our community and fans of the game. If you, or your company, are able to contribute in any way, it would be greatly appreciated. I have attached a list of ways you or your business can get involved. In the event you would like to see something that is not one of these options, please do not hesitate to reach out to me and I am sure we can work something out. I thank you for all your time and we look forward to seeing you and/or your business INSIDE BAYSIDE HIGH SCHOOL.

Sincerely,

Brandon Sherrill
